Board of California Parole Hearings
Re: Suzan Thornell Carson CDCR# W20314
ATTN: PRE-HEARING CORRESPONDENCE
P.O. Box 4036
Sacramento, CA 95812-4036

To Whom It May Concern:

I am writing to let you know that I am OPPOSED to the parole of Suzan Thornell Carson for the following reasons:

It is my understanding that Suzan Carson has never expressed remorse for her role in the violent murders of Keryn Barnes, Clark Stephens and Jon Charles Hellyar, as well as nearly a dozen other deaths that she and her husband (James Carson) are suspected of in both the United States and Europe.

If released, I am confident Suzan Carson will commit further crimes against innocent members of society.

Based on the facts of this case, including the horrific nature of the crimes, the significant factors of unsuitability and the terror this person has created for the law-abiding public, I urge you to deny the parole of Suzan Carson.

Respectively,

Harriet Salarno, Chair of Crime Victims United of California
